WORKIN COLORS

Ispirazione di stili | Stylish inspirations

Workincolors è la speciale raccolta di look professionali ideata da Payper per esprimere un vero e proprio invito a svolgere il proprio mestiere con piacere e passione.

“ *Il piacere nel lavoro aggiunge perfezione al compito che svolgiamo.* ”
Aristotele

Un'incitazione a lavorare a colori, a mettersi all'opera con gioia e soddisfazione, anche **grazie ai capi proposti**, performanti, sicuri, confortevoli e stilosi, **da indossare con orgoglio, creando i migliori abbinamenti per un outfit coordinato e ideale da ogni punto di vista**, sia pratico e funzionale che estetico e cromatico. Nella scelta degli abiti da lavoro, **i colori** hanno infatti un ruolo importante: **trasmettono valori e sensazioni**, rispondono alle esigenze di particolari professioni e **diventano elementi rappresentativi di un'impresa**. E per ogni azienda, piccola o grande che sia, l'identità, la riconoscibilità e il senso d'appartenenza sono aspetti sempre più importanti e strategici. Con questa consapevolezza, nasce **Workincolors**: non un classico catalogo, ma **un album originale** che raccoglie diversi outfit professionali selezionati da Payper proprio giocando sui colori, le loro valenze e combinazioni, **per ispirare e agevolare la composizione della divisa da lavoro più adatta ad ogni contesto.**

LA RACCOLTA WORKINCOLORS SI DIVIDE IN 8 SEZIONI:

01 PURITY - per esprimersi con chiarezza

02 HARMONY - per chi predilige l'equilibrio

03 PRACTICALITY - per chi cerca funzionalità

04 ENERGY - per quelli dalle soluzioni brillanti

05 EFFICIENCY - per chi punta ad alti standard

06 PASSION - per i più dinamici e manuali

07 RATIONALITY - per chi ama la neutralità

08 VISIBILITY - per essere ben in vista

In ogni sezione, una serie di scatti fotografici presenta **diversi look indossati**, sia in un contesto neutro sia in una situazione ambientata: emerge così tutto il valore aggiunto delle combinazioni funzionali proposte, che assicurano la protezione adeguata in ogni ambito, insieme ad alti livelli di comfort e a uno stile sempre distinguibile. Le rassegne fotografiche dei look si concludono con **una gallery tecnica**, che riporta le informazioni utili relative sia agli articoli che compaiono indossati sia ad altri capi adatti a creare outfit simili alternativi.

Workincolors si configura così come **uno strumento ideale a supporto dei rivenditori**, che possono proporre ai propri clienti la migliore divisa con velocità, gusto e coerenza. Le combinazioni delle collezioni Workincolors possono inoltre essere ricomposte e personalizzate con facilità sul sito www.payperwear.com **grazie al "Selettore look"**, per avere anche i relativi **preventivi a portata di click.**

Buona visione e buon lavoro!

Workincolors is the special collection of professional looks created by Payper which invites you to carry out your job with pleasure and passion.

“*Pleasure in the job puts perfection in the work.*”
Aristotle

An incitement to work with colours, to get down to work with joy and satisfaction, thanks also to **the items we offer**, high-performance, safe, comfortable and stylish, **to be worn with pride, creating the best matches for a coordinated outfit, ideal from every point of view**, whether practical and functional, or aesthetical and chromatic. Indeed, when choosing work clothes, **colours** are very important: **they convey values and feelings**, respond to the needs of particular professions and **become the representative elements of a company**. And for every company, whether large or small, its identity, distinctiveness and the sense of belonging are increasingly important and strategic aspects.

Aware of this, we have created **Workincolors**: not a classic catalogue, but an **original album** which collects several professional outfits chosen by Payper precisely for the play on their colours, significance and combinations, **to inspire and simplify putting together the work outfit most suited to each context**.

THE WORKINCOLORS COLLECTION IS DIVIDED INTO 8 SECTIONS.

01 PURITY - for those wishing to make a clear statement

02 HARMONY - for those who choose balance

03 PRACTICALITY - for those looking for functionality

04 ENERGY - for those with brilliant solutions

05 EFFICIENCY - for those who aim for high standards

06 PASSION - for those who are dynamic and practical

07 RATIONALITY - for those who love neutrality

08 VISIBILITY - for those who wish to be seen

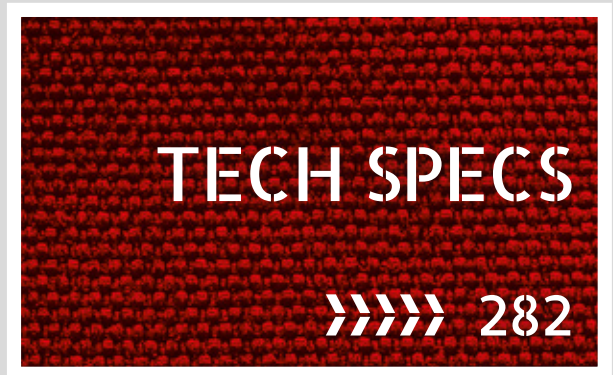

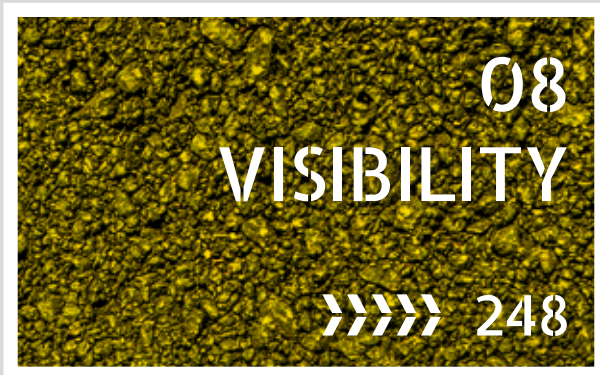

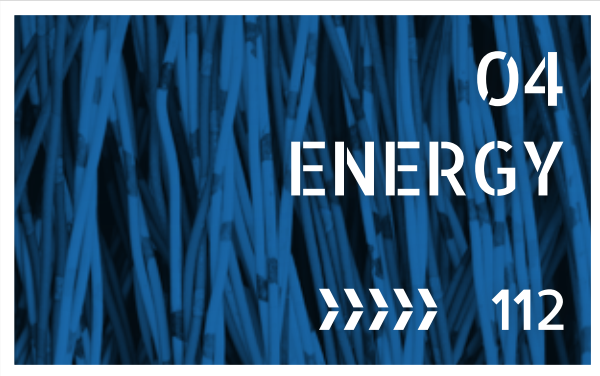

Every section collects a series of photos with **various modelled looks**, both with a neutral context and on location: this highlights all the added value of the functional combinations suggested, which ensure appropriate protection in every setting, together with a high level of comfort and a clearly distinguishable style. The picture galleries of the looks are concluded by **a technical gallery** which reports the information concerning both the articles modelled and other items of clothing suitable for creating alternative similar outfits.

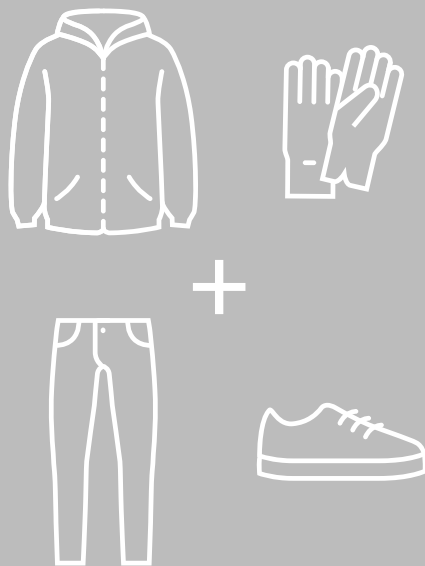

Workincolors therefore represents **an ideal tool to support sellers**, who can suggest the best uniform to their clients, quickly, stylishly and consistently. The Workincolors collection combinations can also be easily matched and customised on the website www.payperwear.com **thanks to the “Look selector”**, which also provides the relative **quotes with just a click**.

Enjoy it and good luck with your work!

Questa collezione Workincolors spazia nell'**orizzonte del blu**, nelle sue **gradazioni più scure**, come il **blu navy**, uno dei principali colori associati alla **professionalità**. Per questo è utilizzato anche come colore corporate da molte aziende. Esprime infatti **credibilità, serietà ed efficienza**, concetti chiave in **tutti gli ambiti lavorativi** ma **in particolare in quelli della produzione industriale e della logistica**. Proprio pensando a chi opera in questi settori, la raccolta include anche indispensabili **gilet di alta visibilità**.

This Workincolors collection ranges in **the blue horizon**, with its **darker shades**, like **navy blue**, one of the leading colours associated with **professionalism**. This is why it is also used by many companies as the corporate colour. In fact, it conveys **credibility, reliability and efficiency**, key concepts in **all working environments** but **particularly in the industrial production and logistics ones**. Precisely with these operators in mind, the collection also includes indispensable **high-visibility vests**.

PASSION

Azione, potenza, dinamicità, passione e attenzione: sono questi alcuni dei principali valori legati al **rosso**, in primo piano in questa collezione Workincolors. Una collezione pensata innanzitutto, proprio ispirandosi ai significati di questo colore, per dare **una marcia in più all'abbigliamento di chi lavora con i motori**, suggerendo anche abbinamenti stilosi con il nero e il grigio scuro. Trasmettendo **sensazioni positive** e stimolando la **voglia di fare**, il rosso è una tonalità indicata comunque per tutti coloro che svolgono **attività pratiche e manuali**.

Action, power, vitality, passion and attention: these are some of the main values linked to **red**, at the forefront of this Workincolors collection. A collection created first of all precisely inspired by the meanings of this colour, to provide **an extra spin to those who work with engines**, suggesting stylish combinations with black and dark grey too. By conveying **positive feelings** and by stimulating **the will to do**, red is in any case suitable for all those who carry out **practical and manual activities**.

RATIONALITY
➤➤➤➤➤

Tra il bianco e il nero, il **grigio** è considerato il colore della **perfetta neutralità**, per questo è associato a significati come **oggettività, equilibrio, razionalità**. È un colore **moderno**, molto legato al **design**, che richiama il **mondo industriale e quello dei metalli** e in particolare, nelle sue tonalità più scure, del **ferro**. E proprio ai professionisti che lavorano questo tipo di materiali, come i **fabbri**, è dedicata in primis questa collezione Workincolors, che comprende anche **guanti e accessori di specifica protezione**.

In-between white and black, **grey** is considered the **perfectly neutral** colour, this is why it is associated with the meaning of **impartiality, balance, rationality**. It is a **modern** colour, greatly connected with the field of **design**, which calls to mind **the world of industry and of metals** and in particular, in its deeper shades, of **iron**. And it is precisely to the professionals who work with these materials, such as **blacksmiths**, that this Workincolors collection is dedicated to first of all, and that it includes **specific protection gloves and accessories**.
